New Year's Resolution Starter Kits

Cinch Inch Loss Program (\$189.95 mn)

You might get into trouble if you give someone a Cinch starter kit as a holiday gift. However, you can give this gift to yourself for your New Year's resolution!

On most diets, you lose fat and muscle. When you lose muscle, you lose your ability to burn fat, and your metabolism drops. Muscle = Metabolism. When you go off of your diet, you can't burn calories like you did before. So you gain weight back. Repeat with the next diet. Hence, the yo-yo effect.

The Cinch Inch Loss Plan is the healthy way to find your size by thinking inches as well as pounds. Cinch is Powered by Leucine and designed to help you break the diet cycle. Everything you need to get "cinched" is in this kit.
